PRODUCT DESCRIPTION	REBATE PER UNIT

Emerson Cargo Solutions Rebate and Return Policy (CANADA Version 10/2020) for GO Trackers and Loggers sold by PakSense, Inc. or Locus Solutions, LLC, or a local legal entity (the relevant affiliate or division of Emerson Electric Canada Limited) on behalf of, collectively, "Emerson Cargo Solutions":

1. Unless you have a signed written agreement with an Emerson Cargo Solutions entity, Products are sold and returned for rebate in accordance with our standard [terms and conditions of sale](#).
2. For full details regarding GO products which contain lithium-ion or lithium metal, please review and follow the applicable Logger and Tracker [bulletins](#).
3. Customer shall return Emerson Cargo Solutions GO Trackers & Loggers on a periodic basis in accordance with this Rebate Terms & Policy.
4. All returns shall be accompanied by the completed GO GreenSense Recycling Return Form. Customer will NOT receive a Rebate if this form does not accompany the shipment, as proper accounting cannot occur.
5. Do not ship damaged Trackers. Please dispose of the damaged Tracker in accordance with applicable laws and regulations.
6. Emerson Cargo Solutions is not responsible for any fines or other fees incurred by Customer if packaging, shipping or handling does not comply with applicable laws, regulations and guidelines.
7. Emerson Cargo Solutions is NOT responsible for providing Rebates for Trackers and Loggers that are lost during shipping or received in a damaged condition.
8. Emerson Cargo Solutions will only provide Rebates for Emerson Cargo Solutions Trackers and Loggers that are returned to Emerson Cargo Solutions in good working order and capable of being recycled.
9. Part numbers beginning with TX, NR, and TN are ineligible for Rebates as well as Part # TS2-TL04.
10. GO Trackers and Loggers and other products not sold by Emerson Cargo Solutions will NOT be returned to Customer or any other third party.
11. For purposes of this Rebate Policy, "Rebate" is defined as payment from Emerson Cargo Solutions to Customer for Trackers and Loggers purchased by Customer and/or Customer's Supplier(s) for which Customer's Suppliers then invoices Customer. Rebate checks will be processed by Emerson Cargo Solutions within approximately ninety (90) days of receipt from Customer of the GO Trackers and Loggers to be recycled. The Rebate check shall be accompanied by a report of GO Trackers and Loggers accepted for Rebate.

By returning a Tracker or Logger, Customer agrees to follow this Rebate Policy and all other applicable terms and conditions.
