GO GreenSense™
Reducing waste and conserving resources

GO GreenSense Program
GO GreenSense is a recycling program that facilitates the return of GO Tracker and Logger products for proper battery and component recycling. Emerson Cargo Solutions provides customers with eco-friendly return boxes and the appropriate pre-paid postage return labels. Customers can then simply place units in the return box and ship them back to Emerson. GO GreenSense takes the hassle out of returning temperature monitoring devices for recycling.

Get Ready to GO GreenSense!
Contact Emerson Cargo Solutions at +1 877 998 7299. Our team will provide you with return boxes and pre-paid postage return labels. For program terms and conditions, reference Emerson.com/Cargo.
