NGLE SCREW COMPRESSOR
TRAINING SEMINAR
MARCH 9 - 12, 2020

Objectives
To provide a thorough understanding of the operation of single screw compressors, compressor unit design and options; and proper start-up, operation, service and maintenance.

Class Size
To attain the maximum instructional benefit to the students, the class size is limited to 12 students, with a minimum of 6 required for commencement of the course.

Fees
The course fee is $900.00 per attendee, payable by check, Visa, MasterCard (+3.0% service charge on credit cards) or purchase order (must have an open account with Vilter). Payment required with registration form at least 10 days prior to start of class.

Provided by Vilter
Vilter will provide course documentation, literature, note pads and pens; transportation between the designated hotel (see below) and Vilter; a Welcome Reception; lunches on Tuesday and Wednesday.

Provided by Attendees
The attendee is responsible for transportation to and from Milwaukee, lodging, personal transportation, meals, and expenses not covered by Vilter. Plan to arrive on Monday, March 9th late afternoon or early evening. If traveling by air from Mitchell Int’l Airport, schedule departure, if possible, no earlier than 12:00 pm on Thursday, March 12th.

Lodging
Vilter will reserve a block of rooms for all attendees at the Hilton Garden Milwaukee Airport. Detailed hotel information will be provided following receipt of course registration.

Registration
Complete the attached registration form and mail to:
   Attn: Sue Hancox
   Vilter Manufacturing LLC:
   5555 S Packard Ave
   Cudahy, WI 53110

Cancellation Policy
A full refund will be made if cancellation is received at least 5 days prior to the start of the course. A $300 cancellation fee will be applied if attendee cancels less than 5 days prior to the course. A $600 cancellation fee will be applied if attendee cancels after the start of the course. A substitute may register without penalty.
